

CEMEX Health & Safety Culture

About

Join Richard Claydon, our Global Director for Health & Safety as he provides you with multiple perspectives relating to our Safety Culture.

- *Discussion of how our Safety Performance has improved significantly over the past ten years*
- *Analysis of what our employees think about Health & Safety, how experts perceive the evolution of a Safety culture, and what can we all do to continue improving in the years ahead*

Additional Info.

Session Dynamics

- Interactive Activities
- Presentation
- An opportunity to commit to making a difference
