

Big Challenges Ahead

About

Vicente Saisó (Dir. Global Sustainability) and Martha Herrera (Dir. Global Social Impact) will share how CEMEX's Sustainability Model serves as a guide to navigate the complexities facing the society and contribute to global solutions for them

- Our environmental targets and priorities
- CX's positioning to contribute to solutions and CX as a leader in climate action
- Our Social Impact strategy and where we are today
- How do we measure Social Impact and what we have achieved
- Sustainability as a business priority and how everyone can be on board
